

THE 9 LOCAL DESIGNERS TO FOLLOW NOW

These Mile High City firms' Instagram feeds are guaranteed to spark ideas for your own home. • by CHERYL MEYERS

Annabode, @annabode // Nearly 47,000 followers agree: Anna Smith's minimalist-meets-warm interiors are tailor-made for Instagram.

CKY Design, @ckydesign // Designer Megan Hudacky's contemporary designs (and, by extension, Insta feed) are a study in zen restraint.

Studio Thomas, @studiothomas // An expertly curated feed with elegant room vignettes, plus inspiration from fashion, architecture, and more.

Dadō, @dado.design // A cerebral, moody, and gorgeous feed with layered textures and high style from designer Megan Moore.

Cook Design House, @cookdesignhouse // Bright and fresh interiors by designer Jodi Cook—with lots of neutral palettes and pops of vibrant color.

Andrea Schumacher Interiors, @andrea_schumacherinteriors // Like Schumacher's inventive designs, this feed is a feast for the senses.

Jordan Design Studio, @jordan_design_studio // Designer Scott Jordan scours Colorado for classic decor with a masculine, Western bent.

Duet Design Group, @duetdesigngroup // Miranda Cullen and Devon Tobin's firm posts pics that show off their talent for unexpected design.

Nadia Watts Interior Design, @nadia.watts // The classic-with-a-twist designs on display here will reignite your love for traditional style.
